A TEACHER'S HANDBOOK • A STUDENT'S TEXTBOOK • A HOME REFERENCE BOOK

STUDENTS

- The book you've been waiting for – a reference book that covers everything you need to know for High School Accounting in ONE Book!
- This practical and user-friendly book may be used from Grade 8 to Grade 12 and beyond.
- It will be useful for the pre-University Student, who has not done Accounting at school.
- The rules and explanations are written in a simple, logical style and are colour-coded for easy understanding, recall and application.
- It may be used in the classroom or for independent home study.
- It will complement any other grade appropriate Accounting Text Book.

TEACHERS

- An invaluable teaching tool presented in a simple, logical format. You teach from it whilst your students follow – no need for note giving or note taking!
- It will ensure that your students have a comprehensive set of notes, which will take them from Grade 8 to Grade 12 and beyond.
- There will be no need to re-teach from the beginning every year. You will simply revise the important concepts for each section if necessary.
- This book provides a framework that shows how all the topics in Accounting fit together and relate to each other.
